## **DETAILED ACTION**

This Office action is in response to applicant's amendment filed on 19 October 2006.

### ***Allowable Subject Matter***

1. Claims 28-32 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 28-32 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a sequential lateral solidification mask that includes a plurality of stripe-shaped light transmitting portions for passing a laser beam, wherein at least one end of each light transmitting portion has a shape of either a triangle or a semicircle and a width of the at least one end is smaller than a width of a central point of the light transmitting portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
